

Greetings SES members,

Are you looking for a fantastic event that enables you to spend time with your family and rub shoulders with other engineers and geoscientists as well? Then look no further.

The Saskatoon Engineering Society (SES) is planning fun for the whole family at

**PUTT 'n BOUNCE MINI-GOLF**  
**Thursday, June 27, 2019**  
**1206 Arlington Avenue**  
**Saskatoon SK**

Grab your spouse, significant other, children, and head to Putt 'n Bounce for a fun round of mini-golf at 5:45 pm. To make an event more attractive, children can alternatively choose rock climbing while adults can alternatively choose baseball (3 tokens, 45 pitches).

This will be followed by food at FUDDRUCKERS (home of the World's Greatest Hamburgers) at about 7:00 pm.

RSVP by June 21st for the SES family mini-golf and meal on June 22nd. We need to know how many are coming so that we can plan ahead.

Please reply to [events@saskatoonengineers.com](mailto:events@saskatoonengineers.com) with who you are and how many in your party. The first 50 people to reply will get the special rate (golf/game and meal) of \$12 for adults and \$7 for children (12 years and under)!

For further information on the venue click on the link <http://www.fudds.ca/puttnb.htm>
