## Lean Six Sigma Professional Development Crash-Course

To support the APEGS Continuous Professional Development (CPD) requirements, Saskatoon Engineering Society (SES) would like to invite engineers and other technical people from industry in the Saskatoon area to join the [Lean Six Sigma Green Belt Certification](#) Crash Course. These refresher sessions are to help professionals and industry to disseminate the Lean Six Sigma continuous improvement Body of Knowledge (BoK) and generate CPD credits for individuals.

### Details

**Who:** Engineers and technical people from industry with a college or university degree, 3 years of experience and interest in Lean Six Sigma philosophy.

**What:** Eight instructor led class room sessions on weekends (Saturday or Sunday afternoons) leads to **16** hours of CPD credits.

<u>Course start dates:</u>	<u>Registration Deadline:</u>
