

Saskatoon Engineering Society

Lunch and Discussion Panel on Advances in CADD and Related Topics

February 9, 2018

Sponsored by IMAGINiT Technologies

The Saskatoon Engineering Society (SES) would like to invite engineers, engineering technologists, CADD designers, and related students in the Saskatoon area to join us for lunch and a discussion panel on advances in CADD and related topics on Friday, February 9, 2018. For those that reply (RSVP) by February 7, lunch is sponsored by IMAGINiT Technologies.

Discussion Panel Topic: Advances in CADD and Related Topics (BIM (Building Information Modeling) and 3D scanning, for example)

Panelists: Dan Kishchuk (EMS Croscan), Edwin Edquist (Prairie 3D and Baydo Development), Marcel Pennington (Croatia Industries), Nick Wright (ENGCOMP), and Scott MacDonald (IMAGINiT Technologies)

Date: Friday, February 9, 2018

Time: 12:05 to 12:55 PM: Lunch, Discussion, and Questions

Location: Span Room, The Atrium (111 Research Drive), Saskatoon

Lunch is provided, but there is a limit on the number of people and you need to email events@saskatoonengineers.com by noon on February 7. If you have food restrictions, then please state that in your reply.

The views expressed by the technical presenters are not necessarily those of the Saskatoon Engineering Society.
For questions on this discussion panel event, please contact Jonathan Bushman at (306) 978-9707 (work) or jbushman@valerin.ca.
