The society carried on operations by the guidance of the executive committee, and instructions we had from all our members in past years through surveys and feedback.

Important events in September 2011-August 2012

SES Bowling event and Christmas Mixer at Eastview Bowl on 11th Dec. 2011 , which was well attended by SES members and families in Saskatoon. Special thanks to Andrew Lockwood for organizing this event.

MLA reception at Regina December 12, 2011: SES has introduce its activities to Saskatchewan MLA in regina. This event is organised by APEGS. Several MLAs were interested to meet SES members in Saskatoon region.

Student Paper and Design Competition Night

The *2012 Engineering Innovative Design and Student Paper Competitions* were held at Marquis Hall at the University of Saskatchewan. This event is jointly organized by SES (Saskatoon Engineering Society) and College of Engineering (Univ. of Saskatchewan). Sponsored by SES (Saskatoon Engineering Society), College of Engineering (Univ. of Saskatchewan), Office of the Vice-President Research (University of Saskatchewan) & APEGS.

National Engineering Week

As a part of National Engineering Week, the Saskatoon Engineering Society was proud to host our annual 2012 ICE Event (Industry Celebrating Excellence) at the Saskatoon Club. A special thanks to all these companies for setting up wonderful booths and to all attendees in making this event a great success. We had an attendance of above 60 people.

I would like to thank Cathy Starkell for leading this event.

Mentoring

The mentoring program between the University of Saskatchewan Students and the SES did not occur this year due to scheduling conflicts with other ongoing events.

Noon Hour Seminar Series.

The SES organized noon hour presentations at Atrium Building (Boffins Club Building). Innovation place from 12:00 noon to 1:00 pm.

New website Development

SES launched a new website and it is in operation.

2012 Awards

- SES Educator of the Year – Dr. David Sumner
- SES Engineer of the Year – Kevin Boychuk

Members and Executive

The SES Executive would also like to thank all of the members that provided input and attended our events.

I am thankful to APEGS staff for their support and help, as and when required.

At the end, I would like to thank the members for allowing me to represent them.

Respectfully Submitted,

Satya Panigrahi, P.Eng.
